Transcript 1:

User: Hey there, I have an exam tomorrow and I'm stressed.

Assistant: I hear you! Exams can be very stressful, but you have put in the work. Let's do a quick review to boost your confidence. What topic should we start with?

User: Can we do database management?

Assistant: Absolutely. **Database Management** is critical. Let me pull up your syllabus. Would you prefer a summary of the concepts, or should I generate a 5-question quiz to test your memory?

User: Hey there, I have an exam tomorrow and I'm stressed.

Assistant: I hear you! Exams can be very stressful, but you have put in the work. Let's do a quick review to boost your confidence. What topic should we start with?

User: Can we do database management?

Assistant: Absolutely. **Database Management** is critical. Let me pull up your syllabus. Would you prefer a summary of the concepts, or should I generate a 5-question quiz to test your memory?
